**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Kollab:

On October 16, 2012, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring One Stop Sunoco #3 located at 11209 State Road in North Royalton to perform a Stage II re-test.

On November 16, 2012, CDAQ issued a Receipt of Corrective Action Plan granting a time extension request that required One Stop Sunoco #3 to perform a Stage II re-test by January 1, 2013.

CDAQ witnessed a passing Stage II test performed by Environmental Compliance Technologies on January 3, 2013. Written test results are to be submitted to CDAQ no later than February 2, 2013.

The corrective action was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.

Should you have any questions, please call Andrew Marantides at (216) 420-8049. All correspondence with CDAQ must include the Ohio EPA facility identification number for One Stop Sunoco #3: 13-18-39-6635.

Sincerely,

A handwritten signature in black ink that reads "Valencia S. White".

Valencia White

Chief of Enforcement, CDAQ
