**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Teter:

On November 27, 2012, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Circle K #5623 to provide two weeks of recording keeping for maintenance and weekly inspection forms. CDAQ is in receipt via email on January 7, 2013, five months of Circle K #5623 Stores Weekly Inspection Log sheets.

The requested recording keeping for maintenance and weekly inspection forms were received and appropriate steps were taken to bring your gasoline dispensing facility into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Mike Samec at 216-420-7682. All correspondence with CDAQ must include the Ohio EPA facility identification number for Circle K #5623: 13-18-03-8315.

Sincerely,

Valencia White
