**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Kelley:

On January 2, 2013, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Strongsville Marathon located at 16717 Royalton Road in Strongsville to perform all necessary repairs, schedule a Stage II re-test and submit the re-test results to CDAQ. CDAQ witnessed Tank Integrity Services perform successful Stage II testing on January 17, 2013. The re-test results are to be submitted to CDAQ by February 17, 2013.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Marantides at (216) 420-8049. All correspondence with CDAQ must include the Ohio EPA facility identification number for Strongsville Marathon: 13-18-55-5957.

Sincerely,

Valencia White
Chief of Enforcement, CDAQ
