Return to Compliance

January 22, 2013

Mr. Allen Wheeler  
Jay Plastics – Broshco Fabricated Products Division  
1595 West Longview Avenue  
Mansfield, Ohio 44906

Dear Mr. Wheeler:

On February 29, 2012, the Ohio EPA, Division of Air Pollution Control issued a Notice of Violation (NOV) to Jay Plastics – Broshco Fabricated Products Div. (Broshco) for failure to report exceedances of coating usage limitations and installing equipment without first obtaining a Permit to Install and Operate.

As of December 21, 2012, because the appropriate permits have been issued and all other cited issues have been resolved, Broshco has returned to compliance.

Please note, however, that this does not preclude the Director from seeking civil penalties pursuant to ORC section 3704.06 for these violations. The decision on whether to pursue or decline to pursue such penalties regarding this matter is dependent on several factors, one of which is the company's future compliance with applicable Ohio EPA requirements.

If you have any questions concerning this letter or the regulations, please feel free to call me at (419) 373-3137 or e-mail at [thomas.cikotte@epa.state.oh.us](mailto:thomas.cikotte@epa.state.oh.us).

Sincerely,

  
Thomas C. Cikotte  
Division of Air Pollution Control
