Premise #0333010004
Return to Compliance (RTC)

January 22, 2013

Mr. William H. Bazell, Manufacturing Manager
Durez Corporation
13717 State Route 68 South
Kenton, Ohio 43326

Dear Mr. Bazell:

This letter shall serve as follow-up to the Notice of Violation (NOV) letter dated June 14, 2012, to the above-reference facility. The violations cited pertained to the necessity of obtaining permits pursuant to Ohio Administrative Code rule 3745-31-02.

Durez Corporation submitted two separate Permit-to-Install and Operate (PTIO) applications on August 3, 2012, and October 31, 2012. Both applications were processed and PTIO #P0110607 and P0111809 were issued on December 13, 2012. With the issuance of the PTIOs, the violations cited in the NOV letter have been resolved and Durez Corporation has returned to compliance. Please note, however, that this does not preclude the Director from seeking civil penalties pursuant to ORC §3704.06 for these violations. The decision on whether to pursue or decline to pursue such penalties regarding this matter is dependent on several factors, one of which is the company's future compliance with applicable Ohio EPA requirements.

Should you have any questions or comments concerning this letter, please feel free to contact me at the above referenced address, by email at mohammad.smidi@epa.state.oh.us or call (419) 373-3118.

Sincerely,

Mohammad Smidi
