**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Slinkard:

On January 9, 2013, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation Letter requiring Strategic Materials, Inc. located at 2323 West 3rd Street in Cleveland to submit Annual Permit Evaluation Reports (PERs) for the following emissions units (EUs): F001: Unpaved roadways and parking areas; F003: Loading operations, including 4 silos, conveyors, bucket elevators, baghouse; F013: IGU/windshield shaker screen, includes hopper, shaker screen, and conveyors; F014: Paved roadways and parking areas; P901: 12-mesh process line including a dryer, silos, crusher, screens and transfer; and P902: 5/8 process line, for calendar years 2010 and 2011 within fourteen days of receipt of the letter.

CDAQ is in receipt of a corrective action dated January 17, 2013, at which time PERs were submitted via fax for calendar years 2010 and 2011.

The corrective action was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

As a reminder, the PER for calendar year 2012 is due by February 15, 2013.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.

Should you have any questions, please call Megan Murphy at 216-664-4258. All correspondence with CDAQ must include the Ohio EPA facility identification number for Strategic Materials, Inc.: 13-18-00-1679.

Sincerely,
