NOTICE OF VIOLATION: Failure to successfully pass Stage II testing

Dear Mr. Abuhamdeh:

On January 17, 2013, the Cleveland Division of Air Quality (CDAQ) witnessed Stage II testing at Hanina, Inc., located at 5837 Pearl Road in Parma Heights. This letter serves as notification that you are operating sources in violation of the following applicable air statutes, air regulations, or air permit conditions.

CDAQ has determined that Hanina, Inc., failed to pass an Air to Liquid Ratio test on pumps #1, #2 and #4 on Emission Unit G001: Stage I and Stage II Gasoline Dispensing Facility, Tokheim. This is a violation of Ohio Administrative Code (OAC) rule 3745-21-09(DDD)(1)(c), in that applicable Stage II testing, as contained in OAC rule 3745-21-09(DDD)(2), has not been successfully passed. This is also a violation of Ohio Revised Code section 3704.05(G).

Unless you undertake some type of corrective action with respect to the above noted violations, you will remain in non-compliance. CDAQ requests that Hanina, Inc. schedule and retest the Air to Liquid Ratio on pumps #1, #2 and #4, and submit the test results within thirty (30) days, to the following address:

Cleveland Division of Air Quality
75 Erieview Plaza, 2nd Floor
Cleveland, Ohio 44114-1839

If there is insufficient time to correct the alleged violations within this timeframe, a written response to this letter must be received by CDAQ within fourteen (14) days of your receipt of this letter. Your response must include a timeline for correcting the alleged violations.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

Free assistance with state and/or federal regulations, rules, laws or permit conditions can be provided at no charge through Ohio EPA Office of Compliance Assistance and Pollution Prevention (OCAPP). OCAPP can be contacted at <http://www.epa.state.oh.us/ocapp> or (614) 644-3469 or (800) 329-7518. CDAQ makes no guarantee that the facility will meet the qualifying guidelines established by the OCAPP.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Roman Fedorko at 216-664-4794. All correspondence with CDAQ must include the Ohio EPA facility identification number for Hanina, Inc.: 13-18-46-7942.

Sincerely,

Valencia White
