**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Abounader:

On December 18, 2012, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation for failing to conduct the required Stage II (Dynamic Pressure) testing. The Notice of Violation required Aigo, LLC to reschedule the required Stage II testing that was previously scheduled but cancelled on December 11, 2012. CDAQ witnessed Environmental Compliance Technologies conduct passing Stage II testing (Static Leak, Air-to-Liquid Ratio and Dynamic Pressure Tests) on January 30, 2013. Written test results are to be submitted to CDAQ by March 2, 2013.

The corrective action plan was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Aigo, LLC at (216) 420-8049. All correspondence with CDAQ must include the Ohio EPA facility identification number for Aigo, LLC: 13-18-00-8140.

Sincerely,

Valencia White
Chief of Enforcement, CDAQ
