**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Ms. Nock:

On January 8, 2013, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Rockport Ready Mix to submit an Annual Permit Evaluation Report (PER) for calendar year 2011, for the following emissions units (EUs): F001: Paved roadways and parking areas; F002: Unpaved roadways and parking areas; F003: Storage piles including load-in and load-out; and P901: Concrete batch plant LoPro427, within fourteen days of receipt of the letter. CDAQ is in receipt of a corrective action dated January 30, 2013, at which time a PER was submitted for the reporting period of January 1 – December 31, 2011.

The corrective action was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.

Should you have any questions, please call Megan Murphy at 216-664-4258. All correspondence with CDAQ must include the Ohio EPA facility identification number for Rockport Ready Mix: 13-18-00-8741.

Sincerely,

A handwritten signature in cursive script that reads "Valencia White".

Valencia White
Chief of Enforcement, CDAQ
