**RESOLUTION OF VIOLATIONS  
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Qasem:

On January 3, 2013, the Cleveland Division of Air Quality (CDAQ) inspected Q's Gas-N-Go located at 3585 West 117<sup>th</sup> Street in Cleveland.

On January 7, 2013, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Q's Gas-N-Go to perform an Air-to-Liquid (A/L) Ratio, and Static Leak test for Emission Unit (EU) G001: Stage I and Stage II Gasoline Dispensing Facility: Wayne/Dresser.

On January 29, 2013, Q's Gas-N-Go performed and passed the required A/L Ratio, and Static Leak tests.

On January 31, 2013, CDAQ received a copy of the passing test results.

The appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.

Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for Q's Gas-N-Go: 13-18-00-7319.

Sincerely,

Valencia White  
Chief of Enforcement, CDAQ
