Re: Richland County
Imperial Truck Refinishing
Return to Compliance (RTC)

February 21, 2013

Mr. David Hornikel
Imperial Truck Refinishing
910 Park Avenue East
Mansfield, Ohio 44905

Dear Mr. Hornikel:

This letter shall serve as follow-up to the Notice of Violation (NOV) letter dated January 18, 2013. Imperial Truck Refinishing (ITR) has since constructed a new permanent three sided enclosure to sandblast in after the temporary structure was torn down. With the construction of the new enclosure and the commitment to only sandblast while inside it, the violation for sandblasting outside without an enclosure has been resolved. Please note, however, that this does not preclude the Director from seeking civil penalties pursuant to ORC section 3704.06 for these violations. The decision on whether to pursue or decline to pursue such penalties regarding this matter is dependent on several factors, one of which is the company's future compliance with applicable Ohio EPA requirements.

If you have any questions about this letter, please contact me at (419) 373-3121 or Chad.Winebrenner@epa.ohio.gov.

Sincerely,

Chad Winebrenner, Environmental Specialist
Division of Air Pollution Control
