RE: RESOLUTION OF VIOLATION  
FAILURE TO PRODUCE STAGE II RECORDS  
OHIO EPA ID#: 0243120966

CERTIFIED MAIL

Mr. John Mazhar  
5068 North Ridge Road  
Perry, OH 44081

Dear Mr. Mazhar:

The Ohio EPA issued a Notice of Violation on January 10, 2013, to the Redi-Go located in Perry Ohio for failure to provide access to Stage II records as required under the Ohio Administrative Code (OAC) Rule 3745-21-09(DDD)(3).

On February 7, 2013, a meeting was held at the Ohio EPA Northeast District Office, where you provided the Ohio EPA copies of the required Stage II records.

Therefore, following this meeting and the provision of the required documentation, the Ohio EPA considers the above referenced violation resolved. Please note, however, that this decision does not preclude the Director of the Ohio EPA from seeking civil penalties pursuant to Ohio Revised Code (ORC) 3704.06, for this violation. The decision of whether to pursue or not pursue such penalties regarding this matter will be dependent on several factors, one of which is the company's future compliance with applicable Ohio EPA requirements.

Should you have any questions and/or comments concerning this correspondence, please contact me at (330) 963-1229.

Sincerely,

A handwritten signature in cursive script that reads "Richard Smith".

Richard Smith  
Environmental Engineer  
Division of Air Pollution Control (DAPC)
