**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Patel:

On January 7, 2013, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation letter requiring Sunoco Berea located at 640 Prospect Road in Berea to perform and pass all required Stage II testing and submit the test results to CDAQ within thirty (30) days of receipt of the Notice of Violation.

On January 21, 2013, CDAQ received a letter from Sunoco Berea requesting an extension to March 15, 2013, to make repairs, schedule, perform and pass all required Stage II testing.

On January 28, 2013, CDAQ issued a Receipt of Corrective Action requiring Berea Sunoco to schedule, perform and pass all required Stage II testing by March 15, 2013.

On February 28, 2013, CDAQ witnessed the performance and passing of all required Stage II testing.

Sunoco Berea is still required to submit the test results to CDAQ within thirty (30) days of the test.

Appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Kenney at 216-420-7683. All correspondence with CDAQ must include the Ohio EPA facility identification number for Sunoco Berea: 13-18-06-7577.

Sincerely,

A handwritten signature in cursive script that reads "Valencia White".

Valencia White
