**RE: NOTICE OF VIOLATION: NO PERMIT RENEWAL APPLICATION RECEIVED**

Facility ID: 1677010782  
Facility Address: 1030 Evans Ave.  
Akron, OH 44305  
Permit Number: P0102756  
Permit Expiration Date: 1/29/2013  
Permit Type: State Permit-To-Operate

Dear Tim Gregory,

This letter serves as a Notice of Violation to you for the violation of OAC rule 3745-31-02 for failure to submit a timely permit application for renewal of the permit identified above which expired on 1/29/2013. This failure to submit a complete and timely application, has resulted in the loss of the "application shield" provided by Ohio Revised Code (ORC) section 119.06, for the air contaminant sources (emissions units) identified in the table below.

<b><i>EU ID</i></b>	<b><i>EU Description</i></b>	<b><i>Company Equipment ID</i></b>	<b><i>Permit Number</i></b>	<b><i>Expiration Date</i></b>
P005	Dough Mixer - silicone manufacturing process with a VOC condenser	DMX #2	P0102756	1/29/2013
P006	Fluorosilicone and silicone compounding	Finishing Mill	P0102756	1/29/2013
P008	Dough Mixer - Extruder for Silicone Base Compounds	DMX #3	P0102756	1/29/2013
P009	Silone Gum Reactor	Silone Gum Reactor	P0102756	1/29/2013

Continued operation of these emissions units after the expiration date of the permit, without a valid renewal permit being issued by the Director, will be a violation of OAC rule 3745-31-03. Be advised that submission of a permit renewal application will not reinstate the "application shield" provided by (ORC) section 119.06.

Please submit a complete renewal application to Ohio EPA as soon as possible, but no later than 30 days from receipt of this notice. The application may be submitted using the eBusiness Center: Air Services (<https://ebiz.epa.ohio.gov>). For assistance with Air Services you may contact Linda Lazich at [linda.lazich@epa.state.oh.us](mailto:linda.lazich@epa.state.oh.us) or (614) 644-3626. In addition, training videos and guidance are available by clicking "Answer Place" on the main banner at [www.epa.ohio.gov](http://www.epa.ohio.gov).

If this facility is not subject to synthetic minor requirements, a hard copy application will be accepted. Those forms can be acquired on the Web page [www.epa.ohio.gov/dapc](http://www.epa.ohio.gov/dapc) or by contacting our office at (330) 375-2480.

Sincerely,

Megan Talcott  
Akron Regional Air Quality Management District
