Permit-To-Install and Operate  
Permit Number: P0104855

Dear Mr. Miller:

The Ohio Environmental Protection Agency (Ohio EPA) issued one or more permit(s)-to-install and operate (PTIO) for the facility identified above. Standard terms and conditions in a PTIO require an annual Permit Evaluation Report (PER) for each emissions unit contained in the permit. The PER(s) which was due for the reporting period January 1, 2012 through December 31, 2012 was not submitted by the due date, February 15, 2013.

The PER must be completed using the hard copy forms provided to you with the PER reminder letter, or electronically via the eBusiness Center - Air Services at [ebiz.epa.ohio.gov](http://ebiz.epa.ohio.gov). Each submission of an incomplete, inaccurate or late report is in violation of the terms and conditions of the applicable PTIO. Violations of the terms and conditions of a PTIO permit are violations of Ohio Revised Code (ORC) Section 3704.05.

Please ensure that the next report is submitted on time, is complete, and accurate. If you have any questions concerning this letter, please contact me at [debbie.ko@epa.state.oh.us](mailto:debbie.ko@epa.state.oh.us) or (419) 373-3106.

Sincerely,

Debbie Ko  
Division of Air Pollution Control
