Re: Richland County  
Mid-Ohio Collision Center  
Return to Compliance (RTC)

March 14, 2013

Mr. George Gaskins  
Mid-Ohio Collision Center  
2900 West Fourth Street  
Mansfield, Ohio 44906

Dear Mr. Gaskins:

This letter shall serve as follow-up to the Notice of Violation (NOV) letter dated March 7, 2013. Mid-Ohio Collision Center has since applied for, and received, a Permit By Rule (PBR) that became effective on March 12, 2013. With the issuance of the PBR, the violation for installing and operating a spray booth prior to obtaining a permit has been resolved. Please note, however, that this does not preclude the Director from seeking civil penalties pursuant to ORC section 3704.06 for these violations. The decision on whether to pursue or decline to pursue such penalties regarding this matter is dependent on several factors, one of which is the company's future compliance with applicable Ohio EPA requirements.

If you have any questions about this letter, please contact me at (419) 373-3121 or [Chad.Winebrenner@epa.ohio.gov](mailto:Chad.Winebrenner@epa.ohio.gov).

Sincerely,

Chad Winebrenner, Environmental Specialist  
Division of Air Pollution Control
