Dear Mr. Peffley:

This letter shall serve to resolve the Notice of Violation (NOV) issued to Yoder Body Shop (Yoder) dated February 1, 2013. In the NOV letter, Yoder was found to be in violation of having installed and operated emissions unit without acquiring proper permits pursuant to Ohio Administrative Code (OAC) rule 3745-31-02.

Yoder submitted a Permit-to-Install and Operate (PTIO) application on March 5, 2013, to initiate resolution to the noted violation in the NOV letter. The facility was issued PTIO P0113328 on March 12, 2013, thereby returning the facility into compliance with the rules and regulations of the Division of Air Pollution Control (DAPC).

Please note that the submission of the requested information to respond to this letter does not constitute waiver of the Ohio EPA's authority to seek civil penalties as provided in Section 3704.06 of the Ohio Revised Code. Ohio EPA will determine later whether to pursue such penalties in this case.
