Re: **NOTICE OF VIOLATION: NO PERMIT RENEWAL APPLICATION RECEIVED**  
Facility ID: 1677940013  
Facility Address: 5255 Akron-Cleveland Road  
Boston Twp., OH 44264

Dear Jim Procaccio,

This letter serves as a Notice of Violation to you for the violation of Ohio Administrative Code (OAC) rule 3745-31-02 for failure to submit a timely permit application for renewal of the permit identified below. This failure to submit a complete and timely application, has resulted in the loss of the "application shield" provided by Ohio Revised Code (ORC) section 119.06, for the air contaminant sources (emissions units) identified in the table below.

DAPC EU ID	EU Description	Company Equipment ID	Permit Number	Expiration Date
P901	Portable Morbark 1300 Diesel Tub Grinder	Morbark 1300	P0103614	1/23/2013

Continued operation of this emissions unit after the expiration date of the permit, without a valid renewal permit being issued by the Director, will be a violation of ORC 3704.05(A). Be advised that submission of a permit renewal application, will not reinstate the "application shield" provided by ORC section 119.06.

Please submit a complete renewal application to Ohio EPA as soon as possible, but no later than 30 days from receipt of this notice. The application may be submitted using the eBusiness Center: Air Services (<https://ebiz.epa.ohio.gov>). For assistance with Air Services you may contact Linda Lazich at [linda.lazich@epa.state.oh.us](mailto:linda.lazich@epa.state.oh.us) or 614-644-3626. In addition, training videos and guidance are available by clicking "Answer Place" at [www.epa.ohio.gov](http://www.epa.ohio.gov). A hard copy application will also be accepted. Those forms can be acquired on the web page [www.epa.ohio.gov/dapc](http://www.epa.ohio.gov/dapc) or by contacting our office at 330-375-2480.

Sincerely,
