Cleveland, Ohio 44103

FACILITY ID: 13-18-00-7302

**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Taye:

On January 9 and April 1, 2013, the Cleveland Division of Air Quality (CDAQ) inspected Midtown Clark Foodmart located at 5400 Euclid Ave. in Cleveland.

On January 15, 2013, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violations requiring Midtown Clark Foodmart to schedule and retest Static Leak and Air-to-Liquid Ratio Stage II vapor recovery system tests. CDAQ observed the retest of Static Leak and Air-to-Liquid Ratio on April 1, 2013. Both tests successfully passed on April 1, 2013.

Appropriate steps were taken to bring your gasoline dispensing facility into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Mike Samec at 216-420-7682. All correspondence with CDAQ must include the Ohio EPA facility identification number for Midtown Clark Foodmart: 13-18-00-7302.

Sincerely,

Valencia White
Chief of Enforcement, CDAQ
