**Re: RESOLUTION OF VIOLATION – NO PERMIT RENEWAL APPLICATION RECEIVED  
Facility ID #1667020039**

Dear Brian Kiehl:

This letter is in response to the Notice of Violation (NOV) issued to the above-referenced facility on 4/2/2013. In the NOV, the Akron Regional Air Quality Management District (ARAQMD) requested that the facility submit a permit renewal application for emissions unit N002, Pyrolytic Burn-Off Oven. The following information summarizes the violation(s) cited, and the resolution of each.

Violation:

Permit to operate (PTO) #P0102008 for emissions unit N002 expired on 1/23/2013 with no permit renewal application received as required per OAC rule 3745-31-02(A)(1)(b).

Resolution:

A complete permit renewal application, #A0047364, for emissions unit N002 was received via Ohio EPA's eBusiness Center: Air Services on 4/8/2013.

With the above actions taken to bring the facility into compliance, the referenced violation is considered resolved. This letter or information pursuant to this letter does not constitute a waiver of the Ohio EPA's authority to seek civil penalties as provided in Section 3704.06 of the Ohio Revised Code. Ohio EPA will determine later whether to pursue such penalties in this case.

If you have any questions concerning this letter, please contact me at 330-812-3954 or email: [kkanoza@sched.org](mailto:kkanoza@sched.org).

Sincerely,

Kelly Kanoza  
Air Pollution Control Engineer, ARAQMD
