**Re: RESOLUTION OF VIOLATION – NO PERMIT RENEWAL APPLICATION RECEIVED**

Facility ID: 1667060042  
Facility Address: ADM Alliance Nutrition, Inc.  
537 Oakwood Ave.  
Ravenna, OH 44266

Dear Miranda Gerard:

This letter is in response to the Notice of Violation (NOV) issued to the above-referenced facility on 4/2/2013. In the NOV, the Akron Regional Air Quality Management District (ARAQMD) requested that the facility submit a permit renewal application for emissions unit P901, Grain Feed Mill. The following information summarizes the violation(s) cited, and the resolution of each.

Violation:

Permit to operate (PTO) #P0102171 for emissions unit P901 expired on 1/23/2013 with no permit renewal application received as required per OAC rule 3745-31-02(A)(1)(b).

Resolution:

A letter from the Archer Daniels Midland Company was received by ARAQMD on 4/12/13 with notification that the Ravenna, Ohio facility was closed in October of 2012. Since this facility was permanently shutdown prior to the permit expiration date, the referenced violation is considered resolved.

Kelly Kanoza
