Resolution of Violation

April 19, 2013

Mr. Steve Lichtcsien, President  
Sandusky Steel & Supply Company  
1943 Milan Road  
Sandusky, Ohio 44870

Dear Mr. Lichtcsien:

This letter shall serve as a follow-up to the Notice of Violation (NOV) letter dated March 13, 2013, for the above-referenced facility. The agency is in receipt of the facility's response letter dated April 10, 2013. The violation noted in the NOV letter has been addressed and is considered resolved.

Please note that this does not preclude the Director from seeking civil penalties pursuant to ORC section 3704.06 for the violation noted in the NOV letter. The decision on whether to pursue or decline to pursue such penalties regarding this is dependent on several factors, one of which is the company's future compliance with applicable Ohio EPA requirements.

Should you have any questions or comments concerning this letter, please feel free to contact me at (419) 373-3069 or electronically at [Miranda.Garlock@epa.ohio.gov](mailto:Miranda.Garlock@epa.ohio.gov).

Sincerely,

A handwritten signature in black ink, appearing to read 'Miranda R. Garlock', is written over a light blue horizontal line.
