**Re: Construction Storm Water Inspection at Plaza Development
Licking County
Permit #: 4GC03605*AG**

Dear Mr. Goodwin:

This letter is written regarding a storm water inspection I conducted at Plaza Development located at US 62 west of Westville Drive Johnstown, Ohio on November 4, 2011. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit associated with Construction Activities. During the inspection, our staff noted the following issues associated with construction activities at this site:

Site was Void of any Storm Water Controls:

- According to onsite personnel, the site is nearing completion. Please ensure the site is full protected from erosion. Given the time of year a crimped straw mulch cover is expected.

If you have any questions regarding this letter or the inspection, please do not hesitate to call me at our Central District Office at (614) 728-3844 or email at harry.kallipolitis@epa.state.oh.us. In addition, please provide a written response (**email preferred**) to the action items addressed above within ten days from receipt of this letter. .

Sincerely,

Harry Kallipolitis
Storm Water Coordinator
Division of Surface Water
